

SPEED LIMITER VEHICLE QUESTIONNAIRE

Speed Limiter Device (SLD) Models:

ETL01 Electronic Pedal Interface (EPI) SLD
 MTL01 Electronic Fuel Regulator SLD

Application:

Fly-by-Wire Electronic vehicles
 Mechanical vehicles

Company: _____

Contact Name: _____

Contact Email Address: _____

Contact Tel.No: _____
 (please include Country Code)

Vehicle Questionnaire

Vehicle Make: _____

Model: _____

Year: _____

Engine Size: _____ cc

Voltage: 12 / 24

Does the vehicle have a mechanical or electronic throttle linkage ? <i>(Please circle)</i>	Mechanical	Electronic
Does the accelerator pedal have a cable going to the fuel pump ?	YES	NO
Does the accelerator pedal have a cable going to a potentiometer ?	YES	NO
Does the accelerator pedal have a built-in potentiometer ?	YES	NO
Is the speedometer electronic ?	YES	NO
Is the speedometer mechanical ?	YES	NO
Does the vehicle have ABS ?	YES	NO
Does the vehicle have an engine management system (EMS) ?	YES	NO
Does the vehicle have common rail fuel injection ?	YES	NO

PEDAL POTENTIOMETER Readings with the ignition switched on during test.

	PIN No.	Voltage at 0% throttle	Voltage at 50% throttle	Voltage at 100% throttle
Potentiometer 1	_____	_____	_____	_____
Potentiometer 2 (if applicable)	_____	_____	_____	_____
Potentiometer 3 (if applicable)	_____	_____	_____	_____
Potentiometer 4 (if applicable)	_____	_____	_____	_____
